Property Crimes Reported in the Foothills Area Command on July 24, 2019:

1 Stolen Vehicle: 9900-block of Spain Rd NE.

5 Residential Burglaries: 13000-block of Arroyo De Vista NE (unforced entry), 2400-block of Kirby St NE (entry via window), 12600-block of Turquoise Trl NE (entry at garage), 10700-block of Academy Rd NE (no forced entry noted), 6200-block of Eubank Blvd NE (broke front door to gain entry).

1 Residential Burglary where victim didn't want a police report: 1800-block of Kirby St NE. Victim didn't want to file police report, but just tell APD about it. As a result, this case doesn't go into crime stats that reviewed weekly by the APD Crime Analysis Unit in order to determine hot spots and areas that could use help with various APD tactical plans. By not filing a police report this stretch of Kirby Street NE will not show up in the weekly Crime Analysis Unit's noting of sites with multiple crimes that can benefit from additional APD resources. If you want to help APD make a dent in property crimes, please file a police report – we try to make it easy with avenues such as 242-COPS, on-line reporting (www.cabq.gov/Police) and telephone reporting (768-2030).

2 Auto Burglaries:

400-block of Paisano St NE: Damaged window to steal clothing, C-Pap machine, 3 pieces of luggage, bag with a nebulizer.

3100-block of Lori Pl NE: Owner left vehicle unsecured with windows partially opened. Burglar(s) stole back pack, baseball gloves, baseball bats, cleats, tools, jumper cables, duffel bag with 7 baseball helmets inside.

Firearms: In the last 24 hours in the Foothills Area Command 8 firearms were reported stolen and now are in the hands of criminals. Six were stolen out of 1 garage and 2 more stolen from an apartment yesterday. For the safety of our police officers and the entire community, please properly secure your firearms when not in use. Keep a property inventory of your firearms (make, model, caliber, serial number, color, accessories) so that if stolen, the firearm can be entered into the NCIC system to help with officer safety issues and getting the firearm back to the victim if it is recovered. The Foothills Substation is waiting for a supply of free gun locks to arrive and we will post about it when they become available for the public. Gun safes start at \$35 and can go up in price depending upon styles, special features, etc. Please check out the many ways you can store your firearms safely and select a method that works for you to prevent arming the criminal population. Our substation lobby has gun safety material for children available for the public.

Be safe! Jill Garcia, Crime Prevention Specialist / ICPS NCPS – APD, Foothills Area Command
